“Tell me and I forget. Teach me and I remember. Involve me and I learn.”

-Benjamin Franklin-

During the month of January the Four Year Old class was busy comparing the differences between “real” and “make believe”. We also explored many ways to move through air and space, across the land and through the water. Congratulations to Noah and Sophia who tied for first place in the Great SJCP Boat Race! The Three Year Old class was involved in grouping, sorting and matching everything from colors to shapes to toys. They were also formally introduced to our “letter friends!”

In February the Four Year Old Class will be learning about all the people who help to keep our communities clean, safe and productive. We will also be talking about the importance of keeping our teeth and gums healthy, as February is Dental Health Month. The 4's will be adding something new to their morning routine, the Pledge of Allegiance. The Three Year Old Class will be busy using two of the five senses, hearing and sight, to help discover similarities and differences. They will also be having more adventures with our “letter friends.”
